OVS STUDENT ONLINE APPLICATION FORM 1/2 (OAF)

Questions		Answers	Yes (✓)	No (✓)
1. Vocal Training History	a) Have you studied Contemporary Voice before?			Skip to 2.
	b) How long have you been training your voice with a vocal coach?			
	c) Who have your vocal coaches been?			
	d) What style of music did you cover?			
2. Music Theory	a) Do you read music?			Skip to 2c)
	b) What Music Theory Grade have you completed?	Skip to 3.		
	c) Are you prepared to learn how to read music? Songs in lessons are learnt from sheet music. Like reading the English language is a fundamental skill, for a musician, reading music is a fundamental skill.			OVS only works with students who can either read music or are learning to read music
3. Time	a) Do you have and will you devote at least 1 hour a day, 5 times a week to practise? What you practise is what you are good at.			

OVS STUDENT ONLINE APPLICATION FORM 2/2 (OAF)

Questions		Yes (✓)	No (✓)
4. Performance	a) Are you an active performer?	Skip to 5.	
	b) Are you prepared to perform on stage? Performance is part of vocal training. As a sports athlete trains with their coach before playing a game, so does a singer before a performance.		OVS only works with students who are either actively performing or are preparing to perform
5. Health	a) Do you smoke?		Skip to 5c)
	b) Are you prepared to quit smoking?		Lessons can commence once you quit smoking. Phone Quitline 13 7848
	c) Do you consume alcohol?		Skip to 5e)
	d) Are you prepared to refrain from consuming alcohol when singing? Due to the diuretic and anaesthetic effects of alcohol, it is not permitted the day before, the day of and the day after singing.		
	e) Do you have asthma?		
	f) Do you have allergies such as hayfever and/or issues with sinusitis?		
	g) How often do you get a cold/flu/upper respiratory tract infection per year?		
	h) Do you consume dairy?		Skip to 5j)
	i) Are you prepared to eliminate dairy from your diet? OVS has a no-dairy policy due to the adverse affects on the voice.		
	j) Do you get the equivalent of at least a 30 minute walk of exercise per day?		
	k) For the voice to be healthy, it must be housed in a healthy body. Highly acidic foods and allergens cause allergic reactions and inflammation in the body causing upper respiratory tract infections, colds, hay fever and asthma, all of which will impede your progress as a vocalist. OVS promotes healthy lifestyle choices by consuming a plant-based alkaline diet, meditation and daily exercise. Do you take your health seriously enough to make any changes required to house your voice in a healthy body?
